REGULAR BOARD MEETING MONDAY, APRIL 20, 2026 5:00 P.M.

*** MEETING LOCATION ***
WALNUT VALLEY WATER DISTRICT
235 South Brea Canyon Road
Walnut, CA 91789

Agenda materials are available for public review at <https://walnutvalleywater.gov/about-us/meetings-minutes-and-agendas/>.

Materials related to an item on this agenda submitted after distribution of the agenda packet are available for public review during regular business hours at the District office, located at: 235 S. Brea Canyon Road, Walnut, CA.

1. Flag Salute
2. Roll Call: Mr. Hilden_____ Ms. Kwong_____ Ms. Lee_____ Mr. Tang_____ Mr. Woo_____
3. Public Comment President Tang

The Presiding Officer of the Board of Directors may impose reasonable limitations on public comments to assure an orderly and timely meeting.

A. **Agenda Items** - Any person desiring to address the Board of Directors on any Agenda item may do so at the time the item is considered on the Agenda by requesting the privilege of doing so at this time and stating the Agenda item to be addressed. At the time the item is discussed, those requesting to speak will be called to do so.

B. **Non-Agenda Items** - At this time, the public shall have an opportunity to comment on any non-agenda item relevant to the jurisdiction of the District. Reasonable time limits on each topic and on each speaker are imposed in accordance with Board policy.

4. Agenda Changes/Addition President Tang

In accordance with Section 54954.2 of the Government Code, additions to the agenda require a two-thirds vote of the legislative body, or if less than two-thirds of the members are present, a unanimous vote of those members present. It shall be determined that there is a need to take immediate action and that the need for action came to the attention of the local agency after the posting of the agenda.

BACKGROUND INFORMATION:

External Affairs & Sustainability Outreach Update

1. April Inserts
District customers received the inserts noted below (front/back) with their monthly bill statement.

Insert Front

An infographic titled "Protecting Your Drinking Water" from Walnut Valley Water District. It features a diagram of a water main and a private service lateral connected by a backflow prevention assembly. Text boxes explain that the system is designed for one-way flow and that backflow prevention is required to prevent reverse flow into the public main. A QR code and the website walnutvalleywater.gov are provided for more information.

Protecting Your Drinking Water

At WVWD, we work to keep our drinking water clean and safe through our cross connection control and backflow prevention programs. These programs help prevent situations where non-potable water could come into contact with the drinking water system.

A cross connection is an actual or potential connection between the public water supply and a source of contamination, in which the contamination can flow back into the public water supply.

With new state requirements now in effect, we may request information to help ensure your property stays protected and in compliance.

To learn more, visit walnutvalleywater.gov.

The water system is designed to flow one way into your property.

A backflow prevention assembly may be required to prevent backflow, or reverse flow, into the public water main.

PUBLIC WATER MAIN

PRIVATE WATER SERVICE LATERAL

Insert Back

Cross-connection between hose and pesticide sprayer may result in backflow of pesticide into water system.

Pipeline leak reduces pressure, which can cause backflow

Keeping Our System Safe

Together, we can help keep our water safe by reducing cross-connection risks at home. Irrigation systems, hose-end sprayers for pesticides or fertilizers, pools, and other outdoor equipment can all create cross-connection risks if not used properly.

Here are a few ways you can help at home.

- ✓ Keep hoses out of pools, buckets, and containers.
- ✓ Use air gaps or approved backflow devices.
- ✓ Install vacuum breakers on hose bibs. These can be found in most hardware stores.

- ✗ **DO NOT** submerge hoses in water or chemicals.
- ✗ **DO NOT** attach chemical sprayers directly to hoses without backflow protection.
- ✗ **DO NOT** connect equipment to drinking water lines without proper safeguards.

April Bill Snipe

District customers received the bill snipe design noted below (front/back) with their monthly bill statement.

2. Facebook, Instagram, X, and YouTube

The District regularly posts updates and promotions of External Affairs/Sustainability activities, conservation tips, and educational materials on Facebook, Instagram, X, Nextdoor, and YouTube.

During March, the District shared the following:

- High School Internship Program
- Water Taste Test With General Manager
- Water Festival & Open House
- Board Meeting Notice
- Fix-A-Leak Week
- Flume Device Special Promotion

3. Customer Portal Campaign

The District utilizes the Customer Portal to send customers alerts, emails, and text messages.

During April, the District shared the following:

- Customer Monthly Newsletter

Walnut Valley Water District

Celebrate Earth Day With Us

Water Festival & Open House

Join us for our Water Festival & Open House on Saturday, April 18, 2026 from 10AM - 2PM, at our new office for a fun, community-wide celebration!

Event highlights include: Live Demos, Vendors Fair, Giveaways, Kid's Activities, Free Snacks and More!

📍 235 S. Brea Canyon Road, Walnut

[More Details Here!](#)

You Made Fix-A-Leak Week A Success!

Thank you to everyone who stopped by our office to celebrate Fix-A-Leak with us! More than 300 leak-detection dye tablets, 150 water-efficient showerheads, and 100 hose nozzles were picked up in our lobby. Your participation helps conserve water and strengthens our shared commitment to a more sustainable community!

Behind the Service: Cross-Connection & Backflow Prevention

At WVWD, we help protect drinking water through our cross-connection control and backflow prevention programs. These efforts reduce the risk of non-potable water coming into contact with the drinking water system.

With new state requirements now in effect, we may request information to help keep your property protected and in compliance.

Learn more about cross-connections and simple steps you can take at home to help keep our water safe.

4. Automated Customer Notifications

Overdue Account Notifications: In March, 935 customers received overdue notices via mail and door tag. 46% of those customers (439 customers) also received automated text message reminders to pay their bill. The District's multi-notification process serves to bring awareness to customers before sewer water bills are received.

Automated Leak Alert Notifications: The District sends automated leak alert notifications via email and text message to inform customers of continuous water use that may indicate leaks. In March, 1,078 customers received leak alert notifications. These alerts are generated based on usage data and help customers reduce water loss and avoid higher bills.

5. Life In Walnut Recreation Guide

The following ad will be included in the City of Walnut's Recreation Guide. The guide is available on their website and in print to all residents.

**Turn Upgrades
Into Savings!**

Say Goodbye to Grass!

WWD, in partnership with the Metropolitan Water District of Southern California, offers the Turf Replacement Program to help customers replace thirsty grass with California Friendly® and native plants.

Top 3 Rebates

- High-Efficiency Clothes Washers
- Sprinkler Nozzles
- Irrigation Controllers

Why Replace Your Turf?

In California, lawns consume nearly half of all residential water. Switching to climate-friendly plants reduces water use, can help lower your bill, and supports a sustainable landscape.

How the Program Works

Receive a minimum of \$2 per square foot for removing turf and installing water-efficient plants, plus \$100 per tree for up to five trees. Funding is limited and awarded on a first-come, first-served basis.

For more info on this program & rebates, visit:

 [SocalWaterSmart.com](https://www.SocalWaterSmart.com)

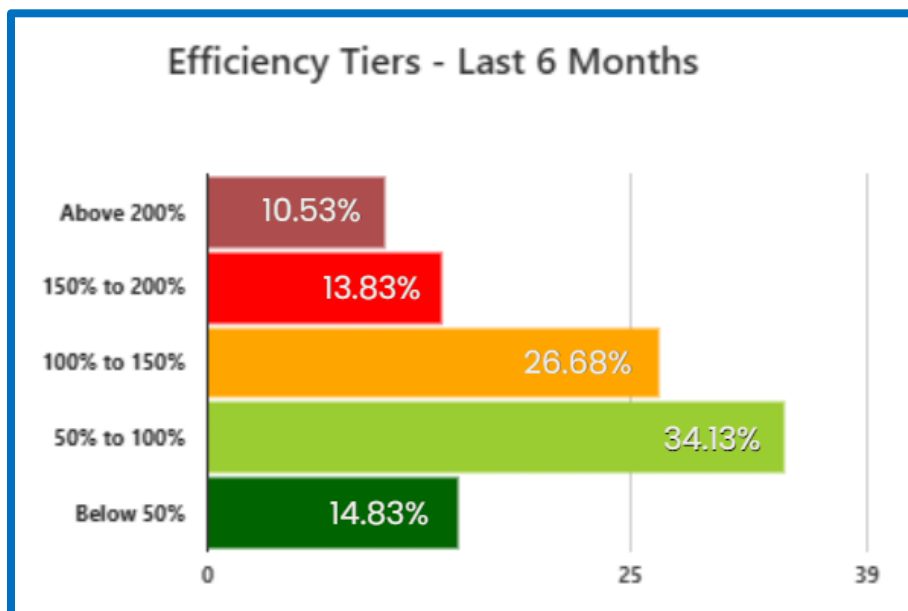

6. WaterView and Residential Water Use Efficiency

The District utilizes WaterView to analyze customer water usage to remain in compliance with state conservation mandates.

The District ended 2025 at 105.96% of its water allocation. The target is to remain under 100% in accordance with the conservation mandates. Current projections indicate the District’s residential use is expected to remain above the allocated target if no additional conservation programs are enacted.

RESIDENTIAL PROJECTIONS				
SBX7-7 Capped Objective impacts your total				
FY24-25 Consumption	2025	2030	2035	2040
12,317.80	47 GPCD/.80 ETAF	42 GPCD/.80 ETAF	42 GPCD/.63 ETAF	42 GPCD/.55 ETAF
Objective Total	11,625.15	10,603.80	9,415.53	8,856.35
Performance %	105.96%	116.16%	130.82%	139.08%
Objective (with INI 20%)	12,437.24	11,415.91	10,055.07	9,414.67
Performance %	99.04%	107.90%	122.50%	130.84%

Below is an efficiency tier analysis of the past six months. This shows that 48.96% of residential customers are in the green efficiency tiers. While 51.04% exceeds the state allocated water budget. This chart reflects both indoor and outdoor residential usage.

7. Residential and Commercial Rebates

The District, in partnership with MWD, offers various rebate programs. As of March 2026, no Turf Replacement Program rebates have been paid. Pending or in-process applications are not included.

8. Splash of Excellence

The “Being Water Wise Is...” Student Art Contest received more than 650 entries from 3rd through 12th grade students representing 19 schools. Contest winners will be recognized at the Splash of Excellence ceremony on April 22 at the District Headquarters. The 10 teachers who received Splash Cash grants will also be honored at the event.

WALNUT VALLEY WATER DISTRICT PRESENTS

Splash of Excellence

A celebration of our
“Being Water Wise Is...”
Art Contest winners and
“Splash Cash” teacher
grant recipients.

Wednesday, April 22
3:30 PM - 5:00 PM

WVWD Headquarters
235 S Brea Canyon Rd., Walnut

Scan QR Code to RSVP
or email Katrina Lumague,
External Affairs & Sustainability Coordinator
Email: klumague@walnutvalleywater.gov

Please RSVP by Wednesday, April 15th
This event is strictly invite only. RSVP is required.

9. Water Festival and Open House

The District is hosting a Water Festival and Open House event for the community on April 18 at our new Headquarters to celebrate Earth Day. The event will include live demos, a vendors fair, kid's activities, snacks, and more.

The poster features a central 3D rendering of a modern building with a white facade and brown accents, surrounded by greenery, a globe, and a sign that says "HAPPY EARTH DAY". The building is set against a blue background with several large white daisies. In the top right corner is the logo for Walnut Valley Water District, which consists of a stylized water drop and waves inside a circle with the text "WALNUT VALLEY WATER DISTRICT".

Water Festival & Open House

Celebrating Earth Day at WVWD's New Headquarters!

235 S BREA CANYON RD., WALNUT

External Affairs & Sustainability Activities

1. New Headquarters Ribbon Cutting

On March 17, the District hosted a Ribbon Cutting ceremony. Local dignitaries, community members, and industry professionals joined our team to celebrate the official opening of our new headquarters.

2. Fix-A-Leak Week

The District promoted Fix-A-Leak Week from March 16 to March 22. Over 300 toilet dye tabs, 150 water efficient showerheads, and 100 hose nozzles were distributed in our lobby.

3. Resources Leadership Program – Poseidon Education
The District has partnered with Poseidon Education to expand our educational programs offered to students and teachers in the service area. Poseidon Education led a teacher training at Quail Summit Elementary School, there are four 5th grade teachers participating with a total of 140 students. District team members will be on campus in April to host a second round of presentations for the participating students and teachers.
4. High School Summer Internship Program Outreach
The District organized presentations to showcase careers in the water industry and our High School Summer Internship Program. Our team presented to students at Rowland High School on February 3, Ron Hockwalt Academy on February 17, Walnut High School on February 20, Diamond Ranch High School on February 25 and March 5, and Diamond Bar High School on March 11. Information about the program was shared with all schools in our service area. Applications were accepted March 1 through April 11.
5. Traveling Art Gallery
From March 16 to March 30, the District hosted Metropolitan Water District’s Traveling Art Gallery. Student artwork from the “Being Water Wise Is…” contest was on display in the lobby.
6. Career Day at South Pointe Middle School
On April 2, the District participated in Career Day at South Pointe Middle School in Walnut. Our team presented to 8th grade students, explaining how WWD services our community and about careers in the water industry.
7. Diamond Bar Earth Day
The District will participate in the City of Diamond Bar’s Earth Day Celebration on April 25 at the Air Quality Management District. Our team will host a booth to distribute giveaways and conservation-related flyers.
8. Succulent Basics Workshop
The District will host a Succulents Basic Workshop on May 12, where attendees will learn essential succulent potting and care techniques. Participants will also have the opportunity to create and take home their own succulent arrangement.
9. Water-Smart Gardening Workshop
The District is partnering with the Suzanne Middle School’s Green 4 Better student group, to host a Beautiful Lawns With Less Water workshop on May 16. This workshop will cover efficient watering methods, soil and plant care, transitioning to a water-wise landscape, drought-tolerant yard design, and effective irrigation techniques.

10. Leak Repair Programs

Through MWD's MAAP funding program, WVWD has secured \$150,000 to support its Leak Repair Program for qualifying customers. Eligible customers may participate through an invitation, which is extended following an assessment of water usage and need. In addition, a separate program is available specifically for customers enrolled in the Affordable Rate Program. EcoTech Services is responsible for conducting all leak assessments and performing repairs for both indoor and outdoor leaks.

Since October 2025, targeted outreach efforts, including canvassing, have contributed to customer participation and enrollment in the program.

Funding

- \$150,000 MAAP funding secured
- 127 repairs completed from 204 referrals

Affordable Rate Program

- 19 repairs completed from 40 referrals

Targeted Outreach

- 111 residents contacted
- 17 customers enrolled as a result

Local Sponsorships

1. Miss Diamond Bar Scholarship Pageant

The District sponsored the Annual Miss Diamond Bar Scholarship Pageant on March 15 at Diamond Bar High School. The sponsorship included a full-page ad in the program.

2. Kiwanis Club Literacy Fair

The District sponsored the Literacy Fair hosted by the Kiwanis Club of the Heights on March 21. The sponsorship included recognition at the event, placement of our logo on the event banner, and acknowledgment across the organization's social media platforms.

3. Golfing Fore the Kids

The District is sponsoring the Diamond Bar Community Foundation's Golfing Fore The Kids Tournament on May 11 at Western Hills Country Club. The sponsorship includes a tee and hole sign.

4. Green 4 Better Student Group

The District is sponsoring an environmental initiative led by students from Suzanne Middle School. This student-driven program promotes composting, water conservation, and sustainable gardening practices with the goal of fostering long-term environmental stewardship. Through this partnership, students will collaborate with the District to host educational workshops and lead community outreach efforts.

5. Diamond Bar High School Campus Beautification Project
The District is sponsoring DBHS's campus beautification project as a legacy sponsor. This sponsorship includes recognition and an invitation to the project unveiling, commemorative photo with campus leadership and the project committee, recognition on the DBHS instrumental music social media, a two page ad in the instrumental music event program, our logo on the marching band truck, reserved seats at the music concert family dinner and spring/pop concerts, our logo displayed during construction, recognition on the patrons of arts wall in the music building, and recognition on the project website.
6. Diamond Bar High School Music Concert Program
The District is sponsoring the DBHS music programs concert events during the school year with a two-page full spread advertisement of the District's internship program and scholarships available to students pursuing degrees and certifications in water related fields.
7. Diamond Bar Evergreen Club Journal Ads
The District is sponsoring the Diamond Bar Evergreen Club's Quarterly Journal Ads. The sponsorship includes a whole-page ad that is distributed to their members.
8. Walnut High School Science Olympiad Team
The District is sponsoring the Walnut High School Science Olympiad Team. The sponsorship will support the team at their upcoming tournaments.
9. City of Walnut Recreation Guide
The District is sponsoring an ad in the fall edition of the City of Walnut's "Life In Walnut" recreation guide. The sponsorship includes a whole-page ad that is distributed to the community.
10. Regional Chamber Annual Guide
The District is sponsoring an ad in the Chamber's Business Horizons Annual Guide & Directory. The sponsorship includes a whole-page ad that is distributed to the community.
11. MeterHero
The District has an ongoing partnership with MeterHero as part of its commitment to sustainability and community engagement. MeterHero is an innovative academic curriculum designed to provide high school students with hands-on experience in water conservation and data analysis. Students learn to collect and analyze water meter data from their homes and then develop and implement a water conservation strategy that benefits their household and the community. This year, two AP Environmental Science classes from Walnut High School will participate in the program.
12. Public Water Agencies Group - Conservation and Education Team (PWAG-CET)
WVWD is a member of the Public Water Agencies Group (PWAG) Conservation and Education Team (CET), which provides conservation and educational resources to teachers and students. All schools, teachers, and students within WVWD's service area have access to all PWAG CET programs and services, including the Splash Cash program, Scholar Dollar program, and more.

WVWD – Staff Report

TO: Board of Directors
FROM: General Manager
DATE: April 20, 2026
SUBJECT: Water Awareness Month Proclamation

Action/Discussion Fiscal Impact Resolution Information Only

RECOMMENDATION

That the Board of Directors adopt a Proclamation declaring May as "Water Awareness Month."

BACKGROUND INFORMATION:

Each May, the State of California recognizes Water Awareness Month, encouraging water agencies to promote conservation and sustainability. In support of this initiative, agencies are encouraged to adopt proclamations declaring May as Water Awareness Month and inspiring others to embrace the mission of "Making Conservation a Way of Life." The enclosed draft proclamation is submitted for review.

To further this effort, local officials, legislators, and school districts will be invited to adopt similar proclamations. As in previous years, Board members may be requested to attend City Council meetings, School Board meetings, or community events to accept Water Awareness Month proclamations on behalf of the District.

This year, the District will host a series of community-focused events, including:

- Succulent Basic Workshop – A beginner-friendly, hands-on workshop designed to introduce participants to the fundamentals of succulent care. Attendees will learn how to properly pot succulents, receive easy-to-follow care tips, and create their own small succulent arrangement to take home.
- Water-Smart Gardening Workshop – Hosted in partnership with Suzanne Middle School's CAPA Green 4 Better Project, this interactive workshop is ideal for beginners, families, and anyone interested in creating a beautiful, water-efficient landscape.
- Diamond Bar Women's Club Annual Scholarship Event – The District will host this annual event at its new headquarters, reinforcing its commitment to serving as a community anchor and providing space for local organizations and partners.

These initiatives provide meaningful opportunities to connect with community members, local leaders, and customers while highlighting the importance of water sustainability and the District's commitment to protecting this vital resource.

Attachment as noted

WATER AWARENESS MONTH PROCLAMATION

WHEREAS, water is the fundamental lifeline sustaining ecosystems and communities, essential for agriculture, industry, and human consumption alike, and;

WHEREAS, the ongoing cycle of droughts and the escalating impacts of climate change underscore the urgent need for concerted, sustainable action in managing California's water resources, and;

WHEREAS, fostering a culture of water consciousness and sustainability is paramount to addressing the challenges posed by water scarcity and ensuring the resilience of our ecosystems and communities, and;

WHEREAS, comprehensive water conservation efforts must be underpinned by robust education initiatives that empower individuals and communities with the knowledge and tools needed to make informed decisions about water usage, and;

WHEREAS, as stewards of water resources, it is incumbent upon the District to collaborate with stakeholders and community leaders in promoting responsible water management practices,

WHEREAS, during the month of May, **WALNUT VALLEY WATER DISTRICT** partners with water agencies, water advocates, and community leaders as a steward of sustainable water use to educate and ensure all Californians have the resources and tools they need to use water wisely.

NOW, THEREFORE, WALNUT VALLEY WATER DISTRICT does hereby proclaim May 2026 as Water Awareness Month and encourages local community members, students, and customers to adopt a sustainable water lifestyle now and in the future.

WVWD – Staff Report

TO: Board of Directors
FROM: General Manager
DATE: April 20, 2026
SUBJECT: 57 & 60 Freeway Improvements – 12-inch Recycled Water Main Relocation Along Golden Springs Drive (P.N. 20-3681)

Action/Discussion **Fiscal Impact** **Resolution** **Information Only**

Recommendation

That the Board of Directors:

1. Ratify a waiver of the formal bidding process per the Purchasing and Procurement Policy for the relocation of a portion of the District's 12-inch recycled water main along Golden Springs Drive.
2. Authorize the District's contractor to perform the work on a time-and-materials basis, with all costs not to exceed \$76,000.
3. Find that the project is exempt from CEQA pursuant to Statutory Exemptions – Public Resources Code Section 21080.21.
4. Authorize Staff to file a Notice of Exemption for the subject project with the Office of the Los Angeles County Registrar-Recorder/County Clerk.

Background Information

The 57/60 Freeway Interchange Improvement Project is a major infrastructure project managed by the San Gabriel Valley Council of Governments (SGVCOG) intended to reduce congestion, improve traffic flow, and enhance safety in the interchange area. Initial design plans indicated that the District's existing 12-inch recycled water main along Golden Springs Drive would maintain the required minimum 36 inches of cover beneath the proposed finished surface. However, subsequent potholing performed during construction revealed that a portion of the pipeline in the vicinity of the SR57 bridge would have as little as 18 inches of cover, which does not meet District standards. The District coordinated with SGVCOG to lower a portion of the recycled water main to ensure adequate protection of District facilities and to avoid potential conflicts with freeway construction.

On February 17, 2026, the Board of Directors approved staff's recommendation to coordinate with SGVCOG, authorize the use of SGVCOG's contractor to perform the relocation work in accordance with District standards, and ratify a waiver of the bidding process due to schedule constraints and cost considerations.

Following the Board's approval, SGVCOG's contractor requested a full set of construction plans to complete the work, which resulted in additional delays. To expedite the process, the District agreed to a modified construction approach under which the District's contractor will perform the relocation work under the supervision of District staff and in accordance with District standards. Under this revised approach, the work will be performed on a time and materials basis, with

SGVCOG depositing funds upfront in an estimated amount of \$76,000 to cover all labor, materials, and equipment costs.

Due to the tight project schedule, the need for continued coordination with freeway construction activities, and significant cost savings to the District, staff recommends that the Board of Directors ratify a waiver of the bidding process in accordance with the District's Purchasing and Procurement Policy and allow the District's contractor to perform the work on a time-and-materials basis. Staff finds that the proposed modification is consistent with the intent of the Board's prior approval, maintains project schedule coordination with freeway construction activities, and continues to result in no cost to the District.

In addition, District staff has determined, based on the CEQA Environmental Review Guidelines, that the project is exempt pursuant to Statutory Exemptions – Public Resources Code Section 21080.21, as the work involves relocation of approximately 200' of existing 12-inch water pipeline with no expansion and locates within public right-of-way (ROW). Staff will file a Notice of Exemption for the project in accordance with CEQA requirements.

PROGRESS STATUS:

- (2) An active transportation plan or pedestrian plan is encouraged to include the consideration of environmental factors, but that consideration does not inhibit or preclude the application of this section.
- (3) An individual project that is a part of an active transportation plan or pedestrian plan remains subject to this division unless another exemption applies to that project.
- (b) Before determining that a project described in subdivision (a) is exempt pursuant to this section, the lead agency shall hold noticed public hearings in areas affected by the project to hear and respond to public comments. Publication of the notice shall be no fewer times than required by Section 6061 of the Government Code by the public agency in a newspaper of general circulation in the area affected by the proposed project. If more than one area will be affected, the notice shall be published in the newspaper of largest circulation from among the newspapers of general circulation in those areas.
- (c) If a local agency determines that a project is not subject to this division pursuant to this section, and it determines to approve or carry out that project, the notice shall be filed with the Office of Planning and Research and the county clerk in the county in which the project is located in the manner specified in subdivisions (b) and (c) of Section 21152.
- (d) For purposes of this section, the following definitions apply:
 - (1) "Active transportation plan" means a plan developed by a local jurisdiction that promotes and encourages people to choose walking, bicycling, or rolling through the creation of safe, comfortable, connected, and accessible walking, bicycling, or rolling networks, and encourages alternatives to single-occupancy vehicle trips.
 - (2) "Pedestrian plan" means a plan developed by a local jurisdiction that establishes a comprehensive, coordinated approach to improving pedestrian infrastructure and safety.
- (e) This section shall remain in effect only until January 1, 2030, and as of that date is repealed.

§ 21080.21. APPLICATION OF DIVISION TO PUBLIC RIGHT-OF-WAY PIPELINE PROJECTS LESS THAN ONE MILE IN LENGTH

- (a) This division does not apply to any project of less than one mile in length within a public street or highway or any other public right-of-way for the installation of a new pipeline or the maintenance, repair, restoration, reconditioning, relocation, replacement, removal, or demolition of an existing pipeline. For purposes of this section, "pipeline" includes subsurface facilities but does not include any surface facility related to the operation of the underground facility.
- (b) This section shall become operative January 1, 2018.

§ 21080.22. LOCAL GOVERNMENTS; PREPARATION OF GENERAL PLAN AMENDMENTS; APPLICATION OF DIVISION

- (a) This division does not apply to activities and approvals by a local government necessary for the preparation of general plan amendments pursuant to Section 29763, except that the approval of general plan amendments by the Delta Protection Commission is subject to the requirements of this division.
- (b) For purposes of Section 21080.5, a general plan amendment is a plan required by the regulatory program of the Delta Protection Commission.

§ 21080.23. PIPELINE PROJECTS; APPLICATION OF DIVISION

- (a) This division does not apply to any project which consists of the inspection, maintenance, repair, restoration, reconditioning, relocation, replacement, or removal of an existing pipeline, as defined in subdivision (a) of Section 51010.5 of the Government Code, or any valve, flange,

WVWD – Staff Report

TO: Board of Directors
FROM: General Manager
DATE: April 20, 2026
SUBJECT: Approve Additional Service Request No. 13 with La Cañada Design Group for the O&M Building Remodel Project Design (P.N. 19-3569-2)

Action/Discussion Fiscal Impact Resolution Information Only

Recommendation

That the Board of Directors approve Additional Service Request (ASR) No. 13 with La Cañada Design Group, Inc. (LCDG) to prepare a site utility plan for a new fire water connection associated with the District’s Operations and Maintenance (O&M) Building Remodel Project, in an amount not-to-exceed \$4,570.

Background

On January 18, 2022, the Walnut Valley Water District awarded a Professional Consultant Services Agreement to La Cañada Design Group, Inc. for architectural design services for the new Administration Building (Phase 1) and the remodeled Operations and Maintenance Building (Phase 2) in the amount of \$699,630. During the course of the design and construction of the Administration Building, several change orders—referred to as Additional Service Requests (ASRs)—were issued to address owner-requested design changes and unanticipated design work.

Under the District’s Purchasing and Procurement Policy, the General Manager is authorized to approve change orders up to 10% of the original contract amount or \$50,000, whichever is less. For LCDG’s contract, this results in a maximum authorization of \$50,000, bringing the total authorized amount to \$749,630, inclusive of contingency. As the original contingency has been fully expended to fund previous ASRs, Board approval is required for ASR No. 13.

ASR No. 13 includes additional civil engineering services to be performed by LCDG’s subconsultant, Brandow & Johnston, to prepare a site utility plan for the O&M Building. The plan will identify the on-site fire water layout, pipe sizes, off-site point of connection, backflow preventer, and related infrastructure required to support a new fire sprinkler system. This fire water connection is necessary to bring the building into compliance with current building and fire code requirements as part of the O&M Building Remodel Project.

Funding for this ASR will be provided through the 2024 Project Revenue Bond.

ASR No. 13

February 19, 2026

Sheryl Shaw
General Manager
Walnut Valley Water District

Project: **WVWD O&M Building Remodel Project**
Project No: **667.2**
Subject: **Additional Service Request No.13 – O&M Site Utility Plan for a new Fire Water Connection**

Dear Sheryl,

This Additional Services Request No. 13 is to prepare the Utility Plans for a new fire-water connection.

Description

The O&M building does not currently have a fire sprinkler system. In accordance with the California Building Code, a fire sprinkler system is required. A separate connection to the main water line for fire service will be necessary, requiring preparation of a Utility Plan for the additional scope of work.

Scope of Services

Refer to the attached consultant proposal – List of Engineer Services, the anticipated scope items are as follows:

- Site Utility Plan showing the connection from the main water to the building.
- Separate utility exhibit for the water purveyor to coordinate the actual connection. This will include the details for the connection, the meter, and the backflow device.
- Address plan check comments, as required.
- Coordination with the contractor during construction

Cost of Services

LCDG will provide the above scope of services for a **Stipulated Sum of \$4,570.00**, to be invoiced monthly on a percent complete basis.

See the enclosed Exhibit A for the AE fee summary for the breakdown of costs by discipline. Consultant's proposal is also enclosed for your review.

Terms and Conditions: The Terms & Conditions are in conformance with the Agreement between WVWD and LCDG dated 1/18/2022.

Please contact me if you have any questions or need clarifications/adjustments to our proposal. With the receipt of the notice to proceed, we are prepared to begin work immediately.

Sincerely,

Kevin O'Brien, President
for La Cañada Design Group, Inc.

PROJECT: Walnut Valley Water District
Operations and Maintenance Building Remodel Project
Add-Service 1 – Site Utility Plan for Fire Water

REQUESTED BY: LCDG

AGREEMENT DATE: February 12, 2026

DESCRIPTION OF ENGINEER SERVICES:

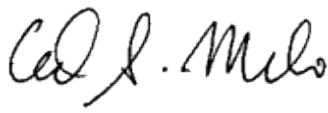

1. Additional Civil Engineering services related to the WVWD Operations & Maintenance Building Remodel project located at 271 S Brea Canyon Rd, Walnut, CA 91789. The additional scope of work includes coordination of a new site fire water line and connection to the existing public main.
2. Civil Engineering scope items include:
 - a. Civil Engineering – Private Property – Site Utility Plan - \$ 4,000
3. Assumptions:
 - a. Assumptions and exclusions from the base proposal are applicable.
 - b. Separate public works plan / Water Purveyor Plans are excluded.
4. This agreement is subject to the provisions of 'General Terms of Agreement' contained in the base proposal.

IN WITNESS WHEREOF, on the day and year first written above, the parties hereto have executed this Agreement in multiple counterparts, each of which counterpart shall be deemed an original.

WVWD – Staff Report

TO: Board of Directors
FROM: General Manager
DATE: April 20, 2026
SUBJECT: Declaration of Surplus Property

Action/Discussion Fiscal Impact Resolution Information Only

Recommendation

That the Board of Directors declare the list of fully depreciated furniture below as surplus property and dispose of the furniture in accordance with District policy.

Background Information

The District’s surplus property policy states:

The General Manager shall periodically review District property requirements. For property of the District found to be obsolete, non-functional, or is no longer necessary for District purposes, the General Manager shall advise the Board of the property, its condition, approximate value, and the intent to dispose of the property. The Board may then find and declare the property surplus to the needs of the District and the General Manager may dispose of it, as he or she shall reasonably determine, in accordance with the methods as set forth hereafter.

A list of District Obsolete Furniture is attached.

Staff recommends the Board of Directors declare the furniture referenced as “surplus property” and authorize the General Manager to dispose of this property in accordance with District Surplus Property policy.

Attachment

Obsolete Furniture

Item	Qty	Description	Approximate Value (ea.)
General Manager's Office - Custom Wall Unit	1	Built-in wood wall unit with cabinets and shelving; good condition, custom-fitted, requires disassembly and may have limited reuse.	\$500.00 - \$1,000.00
Wood Credenza and Hutch	2	Wood credenza and hutch with enclosed cabinetry and upper shelving; good condition with normal wear.	\$100.00 - \$500.00
Large Conference Table	1	Wood conference table; good condition with normal wear.	\$200.00 - \$500.00
Bookshelves	2	One Large and One Medium	\$100.00 - \$400.00
Credenza	1	Wood Credenza	\$100.00
Slim Storage Cabinet	2	Slim steel storage cabinets	\$100.00 - \$300.00
Filing Cabinets	20	HON 5-drawer vertical metal file cabinet	\$150.00 - \$400.00

WVWD – Staff Report

TO: Board of Directors
FROM: General Manager
DATE: April 20, 2026
SUBJECT: District Headquarters Access Improvements

Action/Discussion Fiscal Impact Resolution Information Only

Recommendation

The Board of Directors:

1. Authorize an additional appropriation of \$75,000.00 for the District Headquarters Access Improvements Project from the Capital Improvement Reserve.
2. Amend the FY 2025-26 CIP Budget to include the District Headquarters Access Improvements Project.
3. Authorize the General Manager to utilize the District’s existing On-Call Water System Repair and Construction Services Agreements with Doty Bros. Equipment Company for the District Headquarters Access Improvements Project.

Background

Upon the completion of the District Headquarters and parking lot, the District found the need to install new handrails and permanent stairs along the existing access ramp to eliminate unsafe access conditions that currently allows climbing a short wall. This condition presents a safety hazard and increased risk of slips, trips, and falls. The proposed improvements will provide a safe, stable, and controlled means of access, significantly reducing the risk of accidents.

The Project includes all labor and material for the installation of new handrails, demolition and construction of concrete stairs. Awarding the contract will provide a safe and compliant means of access, improve employee and visitor safety, and reduce the District’s potential liability. The improvements are consistent with the District’s commitment to maintaining safe facilities and addressing known safety concerns in a timely manner.

Fiscal Impact

Doty Bros. Equipment Company (Doty) will perform the work under the District’s On-Call Agreement under the attached Task Order No. 3 with an estimated cost of \$75,000 including contingency. All work performed under the on-call agreements will be billed on a Time and Material basis in accordance with the contractor rate schedules approved by the Board on December 15, 2025. Staff recommends allocating an appropriation of \$75,000 from the General Fund, amending the FY 2025-26 CIP budget to include this project and authorizing the General Manager to utilize the District’s existing On-Call Water System Repair and Construction Services agreements for the District Headquarters Access Improvements Project.

The Production Team operated the potable water system facilities to meet an average daily demand of 12.9 million gallons a day (MGD). The maximum day demand was 14.6 MG on March 27th.

Other notable work performed by the Production Team:

- Completed Joint Water Line quarterly meter calibrations
- Completed Badillo Grand Transmission Line meter calibrations
- Pulled Hydroelectric Generation Station Motor No. 1 for repairs
- Pulled Fernhollow 1200 Zone Motor No. 6 for repairs
- Replaced Armitos Tank A mixer drive and cable

March 2026 Operations Report (cont.)

Water Maintenance and Facility

The Water Maintenance & Facility team performed 100 tasks related to the maintenance of facilities and the District's fleet submitted through the Work Order system (W.O.).

Type of Work Completed	Jan	Feb	Mar	FY Total	Monthly Avg
General Services Miscellaneous Tasks	108	14	73	598	75
General Building Maintenance	8	1	4	47	6
Warehouse Maintenance	0	0	0	6	1
Fleet Maintenance	3	2	7	44	6

RE: Underground Storage Tank (UST) Pollution Liability Program

Dear Sheryl,

We are writing to formally confirm the dissolution of the UST Pollution Liability Pooled Program and to outline the associated equity distribution to participating agencies.

As discussed during the town halls held over the past two years, participating agencies engaged in a comprehensive review of program performance, participation levels, regulatory considerations, and long-term sustainability. Financial projections, administrative costs, and risk exposure scenarios were presented and evaluated collectively.

A significant factor in these discussions was the increasing pressure within the environmental liability insurance market. Over recent renewal cycles, the program experienced tightening underwriting standards, premium escalation, reduced carrier appetite, and heightened scrutiny of aging underground storage tank infrastructure. In particular, the limited availability of coverage for older tanks materially affected the program's ability to secure sustainable and competitively priced coverage.

These market conditions increased the volatility and long-term financial uncertainty of the pooled structure. Continuing the program under those constraints would require materially higher contributions, reduced coverage terms, or increased retained risk to member

agencies. After evaluating those trade-offs, it was determined that dissolution of the pooled program and a move to a pure pass-through structure represented the most prudent course of action to protect member financial interests and avoid disproportionate future exposure.

Following the town halls and formal review process, member agencies provided input and participated in the decision-making process. Based on the participating agencies' consensus, the decision was made to proceed with the orderly dissolution of the pooled program, effective June 30, 2025.

Since that decision, staff have completed the wind-down process, including:

- Recognition of the program's mandatory 180-day automatic extended reporting period, during which any timely reported claims would have been funded from existing program equity.
- Final accounting and reconciliation of program assets.

Distribution Allocation Methodology

After satisfying all known obligations and the conclusion of the program's 180-day automatic extended reporting period, staff confirmed that no outstanding liabilities remained.

Accordingly, the program's net distributable equity was calculated as:

Total Program Assets – Outstanding Liabilities (None) = Net Distributable Equity

Because there were no remaining liabilities or required reserves at the time of dissolution, the entire remaining program equity was available for distribution.

Net distributable equity is allocated among participating agencies in accordance with the distribution framework reviewed during the town halls.

Specifically:

- Each agency's proportionate share was calculated based on its cumulative contributions to the pooled program over its period of participation.
- Contributions were net of claims payments, reimbursements, or prior distributions attributable to that agency.
- Agencies that joined or exited the program at different times were allocated equity proportionate to their actual period of participation and contribution history.

This methodology was selected to ensure equitable distribution reflective of each agency's participation in and utilization of the program.

Based on the final accounting, enclosed please find your agency's refund in the amount of:

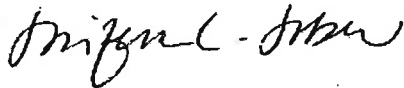

\$13,718.53

Supporting documentation, including a summary of the final financial reconciliation and individual allocation calculation, is available upon request.

We appreciate your agency's engagement throughout the review and decision-making process and your participation in the UST Pollution Liability pooled program.

If you have any questions regarding the reconciliation or allocation methodology, please contact JPIA Finance Manager, Dan Steele at [dsteele@acwajpia.com](mailto:dstele@acwajpia.com)

Best Regards,

WVWD – Staff Report

TO: Board of Directors
FROM: General Manager
DATE: April 20, 2026
SUBJECT: Pressure Regulating Station Rehabilitation – Fountain Springs (PRVFS)

Action/Discussion
 Fiscal Impact
 Resolution
 Information Only

Recommendation

The Board of Directors authorize the General Manager to execute agreements for the pressure regulating valve (PRV) rehabilitation project located at Fountain Springs Road and Brea Canyon Road, for a not to exceed amount of \$70,866 including the use of an on-call water system contractor, competitively procured materials, and specialized service providers.

Background

The Fiscal Year 2025–26 Budget appropriates \$246,900 for the rehabilitation of pressure regulating valves (PRVs) throughout the District’s system.

Staff identified the PRV at Fountain Springs Road and Brea Canyon Road requires rehabilitation to maintain system reliability, optimize pressure control, and reduce the risk of infrastructure failure. This PRV regulates water delivery from the 930 pressure zone to the 875 pressure zone and is critical to maintaining adequate storage levels at the Ambushers Reservoir.

The scope of the rehabilitation work will include:

- Replace the existing 8-inch flow control valve and associated pressure and valve-position instrumentation
- Replace 8-inch isolation valves and associated piping
- Replace electrical equipment within vault
- Install, integrate, and calibrate new instrumentation into the District’s SCADA system

The estimated cost of this rehabilitation is \$70,866. Project delivery will consist of the following components:

Description	Price	Procurement Process
Materials (piping, valves, fittings, instrumentation)	\$30,564	Request for Quotes
On Call Water System Contractor Labor & Equipment	\$24,000	Existing On-Call Contractor
Electrical Equipment & Instruments Installation	\$8,240	Service Contract
SCADA Programming/Integration	\$1,620	Service Contract
Subtotal	\$64,424	
Contingency 10%	\$6,442	
Total	\$70,866	

The District's Purchasing Policy establishes a formal competitive bidding threshold of \$50,000 for public works projects. While the total project cost exceeds the \$50,000 formal bidding threshold, staff's proposed procurement approach with individual vendors, including utilizing existing on-call maintenance contracts, maintains the intent of the District's Purchasing Policy by ensuring competitive pricing where appropriate and efficient delivery of specialized services.

Project delivery will consist of the following components:

Construction Services:

Construction will be performed by the District's on-call water system contractor, Doty Brothers. These services were previously awarded through a formal competitive bidding process.

Material Procurement:

All materials associated with this project are being procured through a competitive quotation process consistent with the District's standard procurement procedures.

Specialized Services:

The project includes electrical and control system integration work that requires specialized expertise. These services will be performed by NAZ Electric and Horizon Engineering Systems, both of whom are under established service contracts with the District and possess specialized familiarity with the District's control and electrical systems.

Fiscal Impact

The total estimated project cost is \$70,866 and will be funded through the FY 2025–26 PRV Rehabilitation budget. Sufficient funds are available within the approved budget.

WVWD – Staff Report

TO: Board of Directors
FROM: General Manager
DATE: April 20, 2026
SUBJECT: Ballot for the Local Agency Formation Commission (LAFCO) Special District Representative

Action/Discussion Fiscal Impact Resolution Information Only

Recommendation

That the Board of Directors select and authorize the Presiding Officer to cast the District’s ballot for one candidate for the LAFCO Special District Voting Member position.

Background

Since 1994 special districts in Los Angeles County have been represented by one voting member and one alternate member on the Local Agency Formation Commission. The District received a memorandum dated March 9, 2026, from Lagerlof, LLP regarding the election for the LAFCO Special District Voting Member seat for a term expiring May 2030.

Enclosed with the memorandum were ballots and candidate materials for consideration. Nominations for this position close on March 6, 2026. Each independent special district in Los Angeles County is eligible to vote for one candidate. The Board may review the candidate materials provided and determine its preferred candidate for the LAFCO Special District Voting Member position.

Per the instructions provided:

- Only one candidate may be selected
- The ballot must include the District’s name and the Presiding Officer’s signature
- Ballots must be submitted by mail to Lagerlof, LLP

Ballots must be received no later than **5:00 p.m. on Friday, May 1, 2026**, to be counted. The candidate receiving the highest number of votes will be declared elected to the LAFCO Special District Voting Member seat.

MEMORANDUM

TO: PRESIDING OFFICER OF EACH INDEPENDENT SPECIAL DISTRICT IN
LOS ANGELES COUNTY.

FROM: WILLIAM F. KRUSE

RE: BALLOT; SPECIAL DISTRICT LAFCO REPRESENTATIVE

DATE: March 9, 2026

Enclosed is the Ballot and the supplementary materials submitted for each of the candidates for Special District LAFCO **VOTING MEMBER** for the term expiring in May 2030. Nominations closed as of 5:00 p.m. on March 6, 2026.

Please vote for ONE candidate for the position. The marked ballot should be placed in the envelope marked "Ballot Envelope" and sealed. Please write the name of your agency and sign your name on the outside of the ballot envelope and return the completed ballot by mail to:

William F. Kruse, Esq.
Lagerlof, LLP
155 N. Lake Avenue, 11th Floor
Pasadena, CA 91101.

No ballot will be counted if it is missing the name of the voting agency and the signature of the Presiding Officer on the ballot envelope.

The candidate receiving the highest number of votes will be declared the Special District **Voting Member** to LAFCO.

Ballots must be returned by 5:00 p.m. on Friday, May 1, 2026.

(Name of Agency)

By: 

Its: Andy Coradeschi, Board President

NOMINATION

Local Agency Formation Commission (LAFCO):

Nomination of Candidate for Special District Board Member

Gary Burns, Candidate for LAFCO Member Position 2026

I would like to thank each district board as I am asking for your vote, to become a full member of the LAFCO Board.

It is time to add “fresh” ideas and excitement to how LAFCO communicates and operates. To that end, please call me at 818 326 2000 to discuss your specific issues. I will listen intently, absorbing your insight.

I hope to visit each of your Board Meetings via zoom or in person to introduce myself, listen to what is important to your district and provide the confidence that I can lead LAFCO into the future.

I desire to serve as a LAFCO Board Member to further serve the community, each of our districts and provide “new” and “environmental” input to the Los Angeles Region and the Supervisors we report to. Few citizens know what LAFCO accomplishes or what the initials stand for. I intend to change that.

As with the homeowners of Calabasas and the entire www.LVMWD.com area, I am available to advocate for or listen to constituents whenever needed. I pledge to do the same for ALL LAFCO Districts.

Gary Burns was elected to the Las Virgenes Municipal Water District Board in 2022. (Division 3, currently Secretary). He is the first Calabasas resident to serve on the District Water Board. **Since his time on the District Board, he has imbued his efforts with energy and the desire to effect change.** He has visited various local and state water facilities and Districts. **He is a member of ACWA, CASA, WaterReuse and has attended their conventions throughout the year, attaining insight into District, State and Water Policy. He is serving on the Business Development Committee of ACWA Region 8. He is championing a Heli-Hydrant project with Los Angeles County Fire, the City of Calabasas and the local Council of Governments.**

In his efforts to search for new sources of water, Gary has visited the future SITES Reservoir Project, the Delta Project, and various Metropolitan Water District facilities, including the in-development Carson Pure Water Plant, etc. His goal is to ensure there is a sufficient water supply for future generations, while preserving the environment in Southern California, the State of California, and the United States.

Growing up on the East Coast, Gary moved to California in 1989, watched the City of Calabasas incorporate in 1991 and has been a resident of Calabasas for the past 35 years. He attended Fairleigh Dickenson (FDU) and Hofstra University where he received a BA and Master’s in Psychology and an MBA in Business and Finance.

Gary has been President of the Mulholland Heights Homeowners Association for the past 10 years. Currently, he is a Board Member of The Valley Economic Alliance (www.thevalley.net) Community Associations Institute, 2018 - 2024 (CAI of Greater Los Angeles County), a Board Member of CAI International, National Homeowner Leaders Council 2021 – 2024 and recognized by CAI Los Angeles for Excellence in Community Leadership.

He is also a founding member of EPIC, (Emergency Preparedness in Calabasas, www.epic-fsc.com), volunteers for many local community activities, and is a Life and Health Insurance Broker (<https://garyburns.businesslinksolutions.net>).

Thank You for your vote and consideration of Gary Burns for LAFCO Board Member (818 326 2000 mobile/text)

NOMINATION
OF
INDEPENDENT SPECIAL DISTRICT **VOTING MEMBER**
TO THE
LOS ANGELES COUNTY LOCAL AGENCY FORMATION COMMISSION

To: Independent Special District Selection Committee

(Name of Agency)

By: [Signature]

Its: President, Board of Directors

NOMINATION

LAFCO

Independent Special District Member
Candidate Statement

Vera Robles DeWitt

I respectfully seek your support for my candidacy to represent you as your representative on the Local Agency Formation Commission (LAFCO) as the designee for all Independent Special Districts.

I currently serve as an elected Director for the Water Replenishment District of Southern California (WRD). I have served continuously on the WRD Board since 2018 and was overwhelmingly re-elected in November 2024. I was directly elected to represent an area with 738,851 residents that encompasses 14 special Districts; specifically, the following:

- 16 school districts
- 29 water districts
- And for geographic context 10 cities, Bellflower, Carson, Downey, Hacienda Heights, La Habra Heights, La Mirada, Norwalk, Paramount, Santa Fe Springs and Whittier along with numerous unincorporated areas of LA County.

During my tenure I have made it a point to know and visit all special districts because I want to be accessible and available to you, which is what I promise to be if you elect me as your Independent Special District representative to LAFCO.

BACKGROUND

For years I have been involved in many civic/non-profit programs. In 1992 I was the founding president of our local chapter of the Boys and Girls Club, and a founding board member of the Dominguez Family Shelter for abused and battered women. I am on the board of directors for the Carson Community Foundation and currently serve as Vice President of my local Kiwanis Club. Also, for the last eight years I've served as a member of the Executive Board for the South County Labor, AFL-CIO. And for the last 3 years have served as a board member representing a special district on the California Joint Powers Insurance Authority (JPIA) formed for mitigating the growing risks of public agencies.

I have been a homeowner since 1964, and as a single parent I raised one son, a member of IBEW Local 47 and one granddaughter who is a commercial airline pilot Captain.

I would be honored to represent you and promise to provide you with updates of LAFCO's activities so you are no longer in the dark left wondering what is going on at LAFCO, and with your support I look forward to contributing in a meaningful way to LAFCO and be a compelling voice for you and on behalf of all Independent Special Districts.

Its: Board President

NOMINATION

LAFCO Candidate Statement

Robert W. Lewis

As the incumbent Special District Voting Member to the Los Angeles County Local Agency Formation Commission, I am respectfully seeking reappointment to continue the work I have been privileged to take part in. With nearly 34 years of service to Rowland Water District and its ratepayers, and direct experience serving on this Commission, I bring institutional knowledge and operational continuity that serves LAFCO and the public it represents.

Residents rightly expect their government to operate with full transparency and accountability. As LAFCO's special district representative, I have embraced that responsibility in every matter before the Commission. Whether reviewing agency boundaries, evaluating service adequacy, or weighing consolidation decisions, I have applied a consistent standard: the public must be able to understand what is being decided, why it is being decided, and how it serves their interests. Reappointment means that standard continues without interruption.

My career in local government began on the City of Fullerton's Redevelopment Commission and has grown into decades of active participation across regional water, utility, and policy bodies. This experience has given me a firsthand understanding of how agencies interact, where collaboration succeeds, and where gaps in coordination create real costs for communities. I currently represent Rowland Water District across the following:

-  Association of California Water Agencies (ACWA) Region 8 Board Member; ACWA is a statewide industry group that monitors and influences legislation and policies affecting water supply
-  ACWA/Joint Powers Insurance Authority Alternate Voting Representative
-  Puente Basin Water Agency Board of Commissioners, this commission coordinates and secures supplemental funding for projects that improve regional water quality
-  California Municipal Utilities Association (CMUA); this association represents its members' interests on energy and water issues before the California Legislature, the Governor's Office, and regulatory bodies
-  San Gabriel Valley Regional Chamber of Commerce Government Affairs Committee Member
-  Several LAFCO Committees, including the Special Districts Ad Hoc Committee in the 1990s which was instrumental in establishing the LAFCO Special Districts seat, a seat I have now had the honor of holding as the incumbent voting member.

Continuity at the Commission level produces results. As the sitting voting member, I have developed working relationships with fellow commissioners, county staff, and agency representatives that allow business to move forward efficiently and collaboratively. The institutional memory I hold, from the history of the Special Districts seat itself to the current landscape of service challenges across Los Angeles County, is an asset that reappointment preserves.

I am proud of the record built during my tenure and remain fully committed to the responsibilities this seat carries. I respectfully request reappointment as the Special District Voting Member to LAFCO for the County of Los Angeles and look forward to continuing this important work on behalf of the districts and residents we serve.

MEMORANDUM

TO: PRESIDING OFFICER OF EACH INDEPENDENT SPECIAL DISTRICT IN
LOS ANGELES COUNTY

FROM: WILLIAM F. KRUSE

PUBLIC SERVICE HISTORY

I respectfully submit my resume for the alternate member position for LAFCO. I have two decades of experience in legislative affairs and local government across Los Angeles County and the San Gabriel Valley. My career in public service began in 2006 as a legislative staffer in the California State Assembly and later the State Senate, where for 12 years I worked on policy issues including water, housing, and public safety. In 2013, I was elected to the Covina City Council, where I served until 2022. During my tenure, I represented the region on multiple regional governing bodies. In 2024, I was elected to the Three Valleys Municipal Water District. This combination of state legislative experience and local elected service has prepared me to be a collaborative and effective partner for this position.

PUBLIC SERVICE TIMELINE HIGHLIGHTS

• **COVINA CITY COUNCIL**

2013-2022 (City Council) Mayor (2017-2018; 2021-2022)

• **SAN GABRIEL BASIN WATER QUALITY AUTHORITY**

2017-2022 (Boardmember) Chairman (2017-2020)

• **SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS**

2019-2022 (Regional Councilmember District 33)

2020-2022 (Chairman Community, Economic, and Human Development Committee)

• **THREE VALLEYS MUNICIPAL WATER DISTRICT**

2024-present (Director Division 6)

WVWD – Staff Report

TO: Board of Directors
FROM: General Manager
SUBMITTED BY: Executive Services Administrator
DATE: April 20, 2026
SUBJECT: District Election Candidate Statements for Divisions II and III and Adoption of WVWD Election Services Resolution No. 04-26-753

Action/Discussion **Fiscal Impact** **Resolution** **Information Only**

Recommendation

That the Board of Directors consider and approve staff’s recommendation to:

- (1) Continue to have candidates pay candidate statement printing, handling, and mailing costs at the time of filing in connection with the November 3, 2026, general election,
- (2) Maintain the maximum 400-word limitation for candidate campaign statements,
- (3) Approve that the District pays its pro rata share of the election costs, (same as approved for the 2024 election cycle),
- (4) Adopt WVWD Resolution No. 04-26-753 requesting the Los Angeles County Board of Supervisors to permit the Registrar-Recorder/County Clerk to render election services for the November 3, 2026, District election.

Background

Divisions II and III are scheduled for election on November 3, 2026. As is the case each time a District election occurs, the Los Angeles County Registrar-Recorder’s office requires that the District complete the enclosed questionnaire and adopt a resolution requesting the Board of Supervisors permit the Registrar-Recorder to render election services, all which is due no later than May 1, 2026. To fully comply with the Registrar-Recorder’s request, it will be necessary for the Board to decide as to:

- Who will pay the costs to print and mail candidate statements
- When such payment will be made
- Word limitation of candidate statements, 200 or 400

This process also obligates the District to pay our pro rata share of the election expense (funding will be proposed in the FY 2026-27 budget). In the past, the Board has determined that candidates would pay the estimated costs to print and mail candidate statements at the time of their filing.

RESOLUTION NO. 04-26-753

A RESOLUTION OF THE BOARD OF DIRECTORS OF WALNUT VALLEY WATER DISTRICT REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES PERMIT THE REGISTRAR-RECORDER/COUNTY CLERK TO RENDER ELECTION SERVICES FOR AN ELECTION OF WALNUT VALLEY WATER DISTRICT TO BE HELD ON NOVEMBER 3, 2026

WHEREAS, the California Elections Code permits special districts electing governing board members to call an election;

WHEREAS, an election in the Walnut Valley Water District is to be held on Tuesday, November 3, 2026, for the purpose of electing two members of the Board of Directors of said District; and

WHEREAS, the Board of Directors believes that it is desirable that said election be conducted with the General District Elections to be held on the same date and that within said District the precincts, polling places, and election officers of the election be the same, and that the Registrar-Recorder/County Clerk of the County of Los Angeles canvass the returns of the election and that said District election be held in all respects as if there were only one election.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF WALNUT VALLEY WATER DISTRICT HEREBY RESOLVES, DETERMINES, AND ORDERS AS FOLLOWS:

1. That an election is hereby called by the Board of Directors of the Walnut Valley Water District to be held on November 3, 2026, for the purpose of electing two members to the Board of Directors.
2. That pursuant to the requirements of Section 10403 of the Elections Code, the Board of Supervisors of the County of Los Angeles is hereby requested to consent and agree to conduct the Walnut Valley Water District election with Tuesday, November 3, 2026, Statewide General Election for the purpose of electing members to the Board of Directors of said District.
3. Said Registrar-Recorder/County Clerk is hereby authorized to canvass the returns of the Walnut Valley Water District election.
4. Said Board of Supervisors is hereby requested to issue instructions to the Registrar-Recorder/County Clerk to take any steps necessary for the holding of said election.
5. Walnut Valley Water District shall pay in full its pro rata share of the expenses for the conduct of the election.
6. Walnut Valley Water District shall require each candidate to pay in advance his or her pro rata share of the printing, handling, and mailing costs of his/her candidate statement as a condition to having it included in the voter's sample ballot pamphlet.
7. The word limit for candidate's statements shall be 400 words.
8. That the General Manager is hereby directed to file a certified copy of this resolution with the Board of Supervisors and the Registrar-Recorder/County Clerk of the County of Los Angeles.

PASSED, APPROVED, AND ADOPTED by the Board of Directors of Walnut Valley Water District at a public meeting thereof duly called and held this 20th day of April 2026, by the following roll call vote:
